

UNITED WAY DAY OF CARING - JUNE 2022

Heartfelt thanks to the United Way and to the 14 volunteers from Empire Life who worked so hard at both our Ryandale locations. They accomplished a great deal, and this is deeply appreciated.

At Victoria St., eight fantastic volunteers stained, painted and weeded and enjoyed Robert and Mike's fruit tray and cookies.

At Clergy St., these ladies painted their hearts out for three hours. Two of the residents, Mike and Robert, made up a fruit and cheese tray and baked cookies, which is why these ladies are smiling.
